

Admission in Nursery Class for the session 2020-2021

After having analyzed the registration forms received online for admission in class Nursery the list of **91** children (Ninety one) who have been selected is being released.

Admission process will be initiated after the reopening of school & intimated through school's website.

There is a tie among 40 students at the point 10.

The parents of these 40 students will be called up for lotting after the reopening of the school so that 34 students could be selected for admission to be granted.
