FAMILIAL HOSTEL

The school hostel is not merely a place of accommodation but a temple of learning since its inception in April 2000. We offer hostel facilities to boys from Classes V to XII. Three fully air-conditioned dormitories are equipped with comfortable, cosy bedding; nutritious food is hygienically prepared in the hostel kitchen and served in the dining hall, giving students a homely feel. The hostel staff, who create a home away from home for the children, provide laundry services and ensure the care and safety of every student.

Hostellers also receive evening prep classes from school teachers during holidays, and these teachers are accountable for their academic performance. Morning workouts and evening games are supervised by efficient physical trainers.

Extra academic coaching is provided by professionals as needed. Planned outings are organized every weekend to rejuvenate the students.
